June 2021

Twin Lakes Manor is so excited that things are going so well, and happy to see families continue to share in the joy of time with their loved ones. May was such a special month as we celebrated Mother's Day, and recognized all the strong women who have shaped us. Now June is upon us, and we will be just as blessed to honor the men while celebrating Father's Day.

Twin Lakes Manor is so honored to have each of you as a part of our community, and we continue our pledge to make each day a joyful and healthy one for all.

Happy June.

Twin Lakes Manor Updates

Last month we welcomed our new resident, Dan! Dan has enjoyed taking part in projects around the house and chatting with fellow residents. If you stop by the house make sure to give him a warm welcome!

We hope as June approaches, we can incorporate more activities and visits outdoors as weather permits, and we encourage you to continue sharing new ideas or interests with Jennifer, our Director, so we can incorporate them into our calendar. We love to hear what you'd enjoy doing to inform our plans.

Twin Lakes Manor continues to strive to keep our community as safe as possible, and we are so appreciative of your continued efforts and understanding throughout this process. We know how important each staff member is to the function of this wonderful community. We're so thankful for those whose hearts are here to care for our TLM family everyday

Fathers Day

Each year in June, we celebrate fatherhood, and the dedicated fathers who make all the difference in the lives of their children—but we also recognize all the other father figures who step up to the plate to be there for kids who need their support. Fathers are pillars in the development of a child's overall well being, emotional growth, and a source of security throughout this wild life. As we honor the fathers in our lives, let's ruminate on some of these beautiful words about fatherhood.

I feel that the greatest gift that I can give my children is the freedom to be who they are.

WILL SMITH

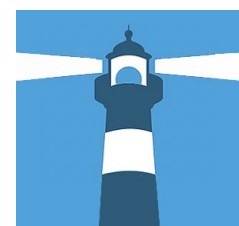

My father gave me the greatest gift anyone could give a person: he believed in me.

JIM VALVANO

[Fatherhood is] the most profound gift and the most daunting challenge.
